# NITRO EXPRESS

## COMPACT ANALOGUE WAREWASH DISPENSER

The NITRO EXPRESS has many of the great features found in the NITRO but with traditional analogue programming. Designed to reduce installation and service time, the NITRO EXPRESS comes with a pre-wired power supply, mounting bracket and quick-change pump cover for toolless tube changing. The NITRO EXPRESS uses the same compact enclosure as NITRO to fit in small kitchen environments

MODELS	DESCRIPTIONS

Nitro Express is the compact multi-feature dispenser with traditional analog programming. It has the versatility to be used with or without a probe from the same unit and has many of the same features as Nitro.

### FEATURES and BENEFITS:

#### Enclosure

- Compact design fits almost anywhere
- Splash resistant ABS material for durability
- ABS mounting plate for easy wall mounting and removal
- Low level alarm and active / signal LED and priming switches on the front of the unit

#### Pumps

- Proven Olympian pump platform
- Quick change pump cover for tool-less tube changing
- Entire pump easily removed by 1 screw for easy change out if necessary
- Detergent pump rate 6 oz per minute, rinse & sanitizer 1.35 oz.
- Separate pump module for sanitizer

#### Electronics and Programming Specifications and general features

- Pre-wired power supply to reduce installation time
- 100-265 VAC 50/60 Hz with auto-switching power supplies
- Program using traditional DIP switches and potentiometers
